We firmly believe that the success- story has been that outcome of the team work of the Teaching-Non teaching staff, carried out under the able guidance of the liberal considerate and pragmatic management .therefore ,a very 'down to earth 'action plan was chalked out ,the results of which are as given below-

The IQAC 's suggestion of giving more stress on research orientation has been implemented in its true spirit —

It was in constant touch with the teachers involved in research and guided them to carry out quality research successful teachers are felicitated on the completion of their research work and they are also motivated to publish their research work .

Being of the leading girl's or maximum enrolled strength in our college then women study centre is a need accordingly a proposal was sent towards management.
