## Handmade Paper bag Exhibition

Advancement in science and technology brings invention of material known as plastic. This plastic is showing its usefulness in daily life. In day to day life we are using plastic in every aspect of life. We are addicted to use of plastic. Nevertheless, unfortunately we are neglecting the side effects of plastic. One of the major disadvantage of plastic is it's not bio-degradable. If we burned used plastic in the open air, it releases the poisonous chemicals leading to environmental pollution. Plastic bags we are using in day to day life will take 10 to 1000 years to decompose. Consequently this useful plastic will be one of the issue while we thinking sustainable environment condition.

With using simple tricks we can avoid use of plastic bags in day to day life. One trick in between is that use of cloth or paper bags for carrying material. One of best advantage of paper bag and cloth bag is that we can made them at home by waste material. This point was raised in students mind by S.T.Co-Op Education Society's Science Senior College, Shahada with the help of exhibition on handmade paper bags. Collage has organized an exhibition for handmade paper bag on . The exhibition was inaugurated by the secretary of S.T.Co-Op Education Society's Science Senior College, Shahada Shri. A.K.Patel sir. In his inaugural speech he elaborated the importance of plastic and cloth bags in daily life. In the introductory lecture Principal Dr. S.A.Marathe sir explained the biodegrading aspects of plastic and its harmfulness for environment and paper bag as replacement of plastic carry bags. Asst.Prof. SachinPatil sir did the anchoring of program and the paper bags in exhibition were judged by Asst.Prof. Anpat Sir form S.N.D.T. Mahila Mahavidyala, Shahada. As most of the students in S.T.E.S. & Co-Operative education Society's Ltd., Science senior college, shahada are from tribal and rural background it is needed to increase the awareness in students about health. There is possibility of malnutrition in these students due to their socio economic background. Which is responsible for low hemoglobin turns into anemia. So it is needed to check hemoglobin to prevent anemia. In today's era society is still not aware about this primary issue.

Considering the students health S.T.Co-Op education Society's Science senior college, shahada organized the HB checkup program for students in coordination with Shraddha Computerized clinical Laboratory on 4<sup>th</sup> February 2018. In this camp 40 students were participated in this HB checkup camp. This camp was mentored by Mr. Mahesh B. Thakur (B.Sc. DMLT) from with Shraddha Computerized clinical Laboratory with staff.

Chairman of S.T.E.S. Co- Operative Education Society Honorable Tastyasaheb Motilal Fakira Patil appreciates the efforts of the college for student's health. In this camp 40 student were check up HB.

## Cloth Distribution

At tribal area like shahada there is still problem of food, clothes and shelter in poor families. These problems were noted by the students of S.T.Co-Op Education Society's Science Senior college, Shahada. These students strongly feel that there is our duty to help needy peoples around us. After a long discussion within themselves they thought to help needy persons for their cloths.

These volunteer students of S.T.Co-Op Education Society's Science Senior college, Shahada visited the colony areas to gather old cloths. While discussion with house owners these 25 volunteers emphasized the need of cloths for slum area peoples. Citizens appreciated the efforts of this young generation and donated many cloths from their houses. In first 2 days volunteers collected more than 3 bags of cloths for all age groups. On third day these cloths were distributed in slum areas for beggars, low income families. While taking these cloths these persons were much happy.

This attempt of students to think something for needy persons around was noted by the College Management and College Staff. They have congratulate each volunteer. On the last day Principal Dr. Sandip Marathe sir esteemed these volunteers and motivated other students for such activities.
