Date. 08/03/2017

The save girl child program was organized by IQAC and cultural committee on 08/03/2017 in the presence of principle and college staff. This programme run in our college. The importance of this programme is ensuring survival and protection of the girl child. The Chief guest for this programme was Asst.Prof. Mangla S. chaudhari , principal, Senior art's Mahila Mahavidyalaya shahada. The guest was reached at 9.30 a.m. and the program was start sharp at 10.00 a.m.

The Asst.Prof. Mangla S. chaudhari given a speech on save girl child. They said the name of some achiever in all fields such as Rani Laxmi Bai, Sunita Williams, Kalpana Chavla for the encourage to the girls. It is clear that the girl child always become blessing for the society and reason for the continuation of life in this world. Saving the girl child first needs parents to change their mind. They need to consider their kids same whether they are girls or boys. It is the positive thinking towards the girls which can change the whole society in India. 30 girls students and some parents are participated in this programme i.e.khanore Ruchita Bhagawan, Dandge shubhangi and Samudre jagruti Kathy said in this modern and technological world, people have been very clever. They first go for the sex determination test before giving birth to the new member in the family. And they generally choose option of abortion in case of girl child and continue pregnancy in case of boy baby. There is a wrong culture against women in India that girls are only consumers whereas boy are money givers. Women in India face lots of violence from the ancient time. However, it is very shame to kill girl child before birth in the mother womb.

The programme was done under the guidance of principal Dr. Sandeep A. Marathe and teacher staff i.e.patil sachin. lalita patil ,asha patil etc. they gives speech to encourage the girls student and their parents.
