REPORT ON NATIONAL EDUCATION DAY

On the occasion of National Education Day, November 11, 2018 a Commemorative program was held at Shahada Taluka Educational Society & Co-operative Educational Society Ltd. Science Senior College. On this day the birth anniversary of Maulana Abul Kalam Azad, freedom fighter, eminent educationist and the first Union Minister of Education, as National Education Day. Maulana Abul Kalam was of the opinion that education was the right of one and all. He was responsible for setting up of apex bodies such as AICTE and UGC. IITs, IISc and School of Architecture and Planning were also his brainchild. 30 students and two faculty members are present in this program. The program was inaugurated by Prof J.J.Patil, Director of Institute of Management, Research and Development. In his key note address Prof. Patil said 25% of GDP was contributed by Indians for the global power till 1750. He analyzed where the world had gone wrong in the second stage of industrialization and remarked that the Green Revolution was followed by IT revolution. The objective of celebrating National Education Day is described as strengthening India's educational institutions, and to raising the quality of education. He also rued over the fact that Science and Technology has been neglected, electronic gadgets and other things are being imported which is not a good sign as far as foreign exchange is concerned. He gave the example of China which is good at such things including aerodynamics. At the closing of the programme at 11.30 AM Faculty member. The programme was concluded with National anthem.

REPORT ON CELEBRATION OF READING DAY

On January 23, 2019, celebrate National Reading Day! National Reading Day is an annual event which celebrates and encourages reading by younger children and is celebrated in thousands of colleges all around in India. This literacy event is designed to help students to develop the literacy foundation they need to become lifelong learners. Schools, libraries and parents participate in a variety of activities with younger readers on National reading day. 30 students and one faculty member are present on this programme. The programme was inaugurated by Prof. Prafulla J. Patel. In his key note address Prof. Patel said the importance of reading. Reading improve our vocabulary, our communications skills. Reading enhances our language skills and develops fluency, allowing us to express our thoughts and ideas better. Books quench our thirst for knowledge. Through books, we learn about how things work, understand different cultures, and comprehend the history of things. We can learn new languages, how to improve ourselves and even how to build things. The right books are full of useful information that helps us become smarter, sharper, more skilled and more open to new ideas. At the closing of the programme at 11.30 AM Faculty member. The programme was concluded with National anthem.
